Order was signed by the Board President

NEW BUSINESS

Proposal to Deny Hearing - Kenneth McGill

The Hearing went on record at 10:05 AM. The Board Members introduced themselves, Ms. Kelly advised that the purpose of today's proposal to deny hearing was that the Board did not think Mr. McGill met the educational requirements for licensure. Mr. McGill did not have council. Ms. Kelly marked as Board exhibit 1, Mr. McGills application and all supporting documents, the proposal to deny letter from the Board, Mr. McGills response to the proposal to deny letter and the notice of today's hearing.

Mr. McGill was sworn in distributed 2 documents, a marked up official transcript from Upsala College and Graduate School transcript from Wright State University, Ms. Kelly marked these documents as exhibits. Mr. McGill testified that during his senior year(Fall of 1973) at Upsala College combined the geology department with the physics department and became the physics and planetary sciences department. He went through the transcript from Upsala pointing out the third and fourth year classes indicating that he does have the educational requirements required for licensure. Mr. McGill answered questions from the Board members. The Board went into deliberations at 10:40 AM. The Board came out of deliberations at 10:43 AM and Mr. Schenck made a motion, seconded by Mr. Reinhold to approve the application for licensure by reciprocity of Mr. McGill. The motion carried unanimously.

Request for Approval of Continuing Education for Ron Wesley – Petroleum Vapor Intrusion: Fundamentals of Screening. Investigating and Management.

Mr. Rambo made a motion, seconded by Mr. Fuller to approve the webinar: Petroleum Vapor Intrusion: Fundamentals of Screening. Investigating and Management for geological content. The motion carried unanimously.
